4th InnoWork Project Meeting

And if you wish creating a more favourable environment for innovation in your SME and improve its adaptability through training resources, for the development of organisational innovation?

This is precisely the goal of the Project *Towards a More Innovative Workplace / InnoWork*, that AidLearn integrates s partner.

At the 4th **Transnational Meeting**, held in Kaunas, Lithuania (18/19 April 2016), was established the methodology for pilot actions that will run until June 15, 2016, in the different countries of the partnership. It should be noted that the design of an Organisational Innovation Plan for SMEs will follow the model developed and validated by the Portuguese Association of Creativity and Innovation / **Apgico**.

If you are interested in further information and/or knowing how your SME may participate soon in a dissemination Workshop, promoted by AidLearn, [contact us](#)
